

DIRECTORY OF GERIATRIC BEHAVIORAL HEALTH RESOURCES OF EAST CENTRAL OHIO

One of the public service goals of the multi-disciplinary coalition, the Aging and Behavioral Health Alliance of East Central Ohio (ABHA-ECO), has been to create an easy to access directory of behavioral health resources for older adults, families, and professionals. As of the end of March 2009, our first directory is complete! We hope you find it valuable. We ask that you not only use it but also download it, copy it and disseminate it widely.

We realize that the directory will always be a work-in-progress. Therefore, we plan to update it twice a year. The next revision will be done in October 2009.

Many individuals contributed to the completion of this resource, including staff from the Center for Healthy Aging in Kent, Info-Line, the local chapter of the Alzheimer's Association, the Department of Psychiatry at Summa Health System, the Area Agency on Aging, 10-B, the Department of Geriatric Medicine at the Northeastern Ohio Universities Colleges of Medicine and Pharmacy and Mental Health America.

It truly "takes a village" to compile these listings! Thank you all.
